Dear Ben,

Thank you for your letter. I hope you're doing well

In your email you asked me about languages. In our school we learn English and German. I know English well, but German is difficult for me. But I'm not worried about it since German is not my priority. By the way, I recently got really into Polish. I think it's very beautiful and interesting. I'm thinking of learning it after the exams. As for Japanese, I think it's very interesting. Obviously, Japanese is very hard to learn. But I'm sure you can do it! Besides, it will certainly worth it later!

It was a pleasure writing to you. I'm looking forward to talking to you again.

Love,
NASTYA.
