Mysterious Monster

At different times, thousands of people say that they have seen a large animal in the famous lake called Loch Ness in Scotland. For many centuries, people have tried to catch it. People who live there always talk about the mysterious animal in the lake, and many of them believe that it is still there today.

In 1933, John McGregor, a local businessman, saw that the lake began to bubble, and a huge animal with two humps came out of it.

After that, scientists examined the lake with underwater equipment and tried to find out what kind of animal lived there. Of course, they haven't found it yet, because the lake is so deep and so dark.

Tourists from all over the world have visited Loch Ness, they hope to see the monster. They have even given it a nickname "Nessie". Many people even show photos of the monster, but they are usually photos of the pictures of the monster. Scientists suppose that the Loch Ness monster is a dinosaur, which has survived since the Ice Age.

Here is a description of the monster:

- Length: About 50 metres.
- Body: With two humps.
- Half horse, half snake and quite small.
- Long and thin, like a giraffe.
- Yellow-brown.
- People think that it eats sheep on land and underwater plants.
- Shy, doesn't want to be seen.
- Lives in the deepest and coldest parts of the lake about 1 km from the surface.

Задания к тексту.

Exercise 1. Insert the words according to the text.

⁵ have visited, ³ haven't found, ¹ tried, ⁴ so deep and so dark, ² came out of it

1. For many centuries people ... to catch it. *tried*

Writing

You have received a letter from your English-speaking pen friend Ben.

...Yesterday I cooked pizza myself! Yummy! What do you think of pizza and fast food in general? What do you usually have for lunch? What can you cook yourself, if you need to?

Write him a letter and answer her 3 questions. Write 80-100 words. Remember the rules of letter writing

Orel, Russia

19/02/22

Dear Ben,
Thanks for your letter. I'm sorry that I'm answering so late. You asked me about what I think about pizza and fast food. Frankely speaking, I don't like eating fast food, because it ~~isn't~~ is not good for our body. Nowadays I keep fit and do sport. But I can cook & pizza with my mother three times a month. Our pizza usually consists of tomatoes, mashrooms, cheese, sauce and chicken. My mother cooks

lunch and I eat soup, rice with fish and salad. If my mother goes out or she is at work I can cook by myself. For example, I make salad, sandwiches or eggs. Also I cook pasta. Besides, I like cooking pancakes, cakes, pies and cookies. This food I cook twice a week. That's all I wanted to tell you. I will be glad if you write again soon.

Best wishes,

Alice
