The man and the monkeys.

One day a man who made caps went to the market to sell them. It was a long way to go. The man passed by a long river. When he was in the forest, he decided to rest a little, as the day was very hot and he was very tired.

The man saw a large tree. He decided to rest under it.

As the sun was very hot, the man put on one of the caps on his head and put all the other caps on the ground under the tree. The man had lunch, then lay down and soon was asleep. When he woke up, he could not find the caps.

"Where are my caps?" he cried. He could not find them anywhere.

Suddenly he looked up. And what did he see? He saw many monkeys in the tree, and each monkey had the man's cap on its head!

"Give me back my caps!" cried the man. But the monkeys could not understand the man. They laughed, jumped and played with the caps.

The man asked and asked the monkeys to give him back his caps, but the monkeys didn't understand him. They only laughed.

The man got very much angry with the monkeys. He took off his cap, threw it on the ground and cried: "If you want my caps, you may take this one, too!"

And do you know what the monkeys did? They took off the caps and threw them on the ground!

That's how the man got back all his caps.

Certainly, he was very glad. He quickly took all his caps and went away.

1 Dear Michael,

2 And in August we went to Cyprus with my parents. It is a large island in the Mediterranean with a wonderful climate. We swam in the sea and were lying in the shade of huge eucalyptus trees. We traveled along the mountain paths and played tennis. Anyway, it was a memorable summer.

3 As for me, I also spent a wonderful vacation. First, I lived with my parents in the garden. The weather was hot and I swam a lot with my friends. We played soccer and rode bicycles.

4 How did your academic year begin? Are there newcomers in your class? Any new subjects?

5 Ivan

6 All the best!

8 I'm sorry, I have to go to the sports section.
