## The magic tree

In a land, there was a magic forest. In the middle of this forest stood a magic forest tree. It was huge, branches and leaves of this tree sparkled like stars.

This tree protected all the creatures in the magic forest. When a man touched the magic tree, this person became very lucky.

Once, a poor boy Tim went into the forest. He was very upset because he had no money for the toys and the sweets. When he touched the tree, something wonderful happened. A bag of the gold coins appeared in his hands. Tim was so happy. He bought a lot of toys, sweets, and shared the money with his friends.

Later, Tim visited the magic tree every day and they became very good friends.
