A computer game: The Lost Statue

In this game you are in a small country called Neverland. It is a deserted place. The weather there is terrible. It rains a lot and there are strong winds. The only people there are two young brothers. They live alone in their small house on the beach. In the game, you are one of the boys – Josh or Frank. Josh loves the beach very much and he is good at windsurfing. Frank is interested in doing quizzes and playing guessing games.

One day, they meet a strange man. He collects old things. He needs to find a small statue from the Stone Age and he asks the boys for help.

You decide to help the man. First, you talk to the man and learn about the lost statue. Then, with your brother, organize a trip around Neverland to look for it. On

the way you play games, answer questions, do quizzes, visit different places and talk to different people. Collect objects and souvenirs – they are very useful and help you find the lost statue and win the game.

You have 30 minutes to do this task. You have received a letter from your English-speaking pen friend Bob.

... I can't wait to come and stay with you next month. We're going to have such a lot of fun! What do you think the weather will be like? What kind of clothes should I bring with me? How much money do I need? Have you arranged any interesting things for us to do? Let me know!

Hope to hear from you soon!

Bob

Hi Bob,
