writing

Dear Ben,

Thank you for your recent letter. I was pretty glad to get it again.

In your last letter you asked me about spending time in Russia. As for me and my surroundings, I prefer just hanging out together. We usually walk across the streets or spend our spare time in a local café. As for the hobbies, Russian teenagers enjoy wasting time playing computer games. Some youth prefer dancing, singing, painting and that sort of things. Personally, I am a keen user of online cinemas. I enjoy the atmosphere of the evening after a busy day while watching a serial with a cup of coffee. It's just a sort of break from routine for me.

Write back soon.

Love,

Masha
