Dear Rob,

Thank you for your letter. I'm happy to hear from you again.

In your letter you asked me about how I use technology in my life. Well, usually I use my mobile phone to surf the internet and communicate with my friends. I also use my laptop to do homework or watch movies. My grandmother uses tablet to communicate with her colleagues and other relatives. Also my parents use their mobile phones and their computers to work.

By the way, in your letter you mentioned that your team takes part in a rugby match. Where will the match take place? Are you on the team? What team is a champion of your school now?

Sorry, I have to go now. I have a lot of homework to do. Write back soon.

Love,

Vika
