Hello M!, Sophia,

How are you? Hope you are OK. By the way, I'm really happy!

Last week I went to a music event with my school friends. It was the "Weekend's" concert, I know you like him. It was fantastic! There were thousands of people, and this is incredible! The music was loud, there were lights ~~colourful~~ and effects. Mostly, I liked that the concert's point was rather large, so it was comfortable there. And you know what!? I met our Spanish friend Lena! She said that she would text to you soon.

You know, I became interested in music you listen to. So, can you send me some music you like? It would be great.

I have to go now. Write me back soon

Love,

Liza
