I want to tell you about my summer vacation in Sochi. We left our house at 12 AM, My dad drove the car for 6 hours straight. The roads on the way there were small and ran down so my dad was very angry. When we finally got to the place, we ate some pizza and went to sleep. After we woke up, we went to explore the beach, it was very small and not a lot of people were there. After a week we went on a jeeping trip. Some old guy drove the jeep into the caves! We got out and started looking around, it was very interesting there. When I got back home from the vacation I was very excited and had good mood. I hope our next vacation will be even better than this one!
