Dear Susie,

Thank you for your letter! I'm glad that you're going to have a pet!

Well, I have a lot of pets: a dog called Jack, a hamster and a golden fish. I love them. I'm of the opinion that dogs are the best pets. The advantages of having them outweigh disadvantages. If you feel sad or exhausted, dogs can help you to forget ~~about~~ <sup>your</sup> problems. Dogs are funny and helpful. I believe that it's easy to look after a dog. All you have to do is feed it, walk and play with it.

By the way, I'm going on a trip next summer. Where do you think I should go? Have you ever been abroad? What is a must-see place in your country?

I've got to go now. Write back!

Goodbye,

Margarita.
