A Flat Tire.  
I'd like to tell the story C.

One day Uncle Rob was riding his bike down the street. He had a jacket, trousers and a cap on. The weather was fine, the sun was shining, and nothing seemed to go wrong.

However, out of the blue he got a flat tire. Uncle Rob didn't know what to do. Despaired, he looked around and spotted a supermarket. He went inside and bought a string of sausages. He put the sausages in the place of the wheel and continued his journey.

Everything worked! However, there was only one disadvantage. Two dogs began chasing him down the road.
