~ 50 A day in the life of my family.

Saturday 25th October

I had a day with my family last Sunday. It was a nice sunny weekend day. On that day my mother, father, my little brother and I went to the country.

At first we visited our grandparents because they live near our country house. They were very happy to see us. Then brother and I came to our garden and my parents went to the house. The whole day I was playing with my brother outdoors. Our parents were walking in the street or ^{they were} sitting at home. In the evening we had already wanted to go home, we were tired.

When I and brother came home, mother was cooking supper, while father was reading a magazine. Soon we had our meal and went to bed.

I think it was a wonderful ^{day} day. I liked this ^{day} time with my family. It's great ^{and a fun} to have time with relatives.
