TASK 5. WRITING

In the wood, on the shore of the river, the big old evergreen tree stands. This is not just a simple tree: that's the home of very kind and wise Wood Spirit

Once, the wood animals heard some steps. That was a young man. He looked sad and slowly walked watching on a ground. Stranger seemed to not hear the birds sing and see the flowers bloom. He stepped to the tree and touched it. Spirit said: „What are you doing here? And, what is your woe?” „My Katherine... She doesn't want to talk to me. I've argued to her and...” - man weeped. „Oh”, - spirit replied. „Try to not argue to people anymore. Take one of these flowers and say „Forgive me” to her”, „Thanks for an advice!” - the man said and ran back to home.

When he stopped, he saw Katherine sitting on the stairs of the house. „Sorry, my beloved. I wasn't right. I'll try to never argue to you anymore”, - he said and gave her a flower. She said that had already forgiven him, and they both went for a walk in the park.
