WRITING.

Task 2.

I want to tell you about the worst experience in my life. It is a story about how I ~~have~~ lost my beloved pet. To begin with, I always wanted to have a pet and one day my parents gave me a dog. Her name was Chelsea, she was a tiny dog with black wool and eyes. We spent a lot of time together and were very close. Unfortunately, the happiness did not last long.

21th June 2022. Chelsea got sick. During the morning she didn't eat at all and was listless. Me and my Mom were worried about her health and took her to the animal clinic. All day veterinarians were checking up my dog but they could not find a cause of disease. The doctor suggested us to leave Chelsea at the clinic and me with mom went home. After that, when we came back at home, veterinarian called us and said that Chelsea now passed away. Tears welled up in my eyes and my sadness turn into despair. I have never feel as bad as at that moment. I can surely say it is the most upset experience in my life. I miss her so much and will always remember my Chelsea.
